

B&W CUSTOMIZED BLOW MOLD CASES

DOUBLE WALLS, DOUBLE PROTECTION: MAXIMUM SAFETY FOR TRANSPORT

Do you need a customized solution to protect, store or transport your product?
Extrusion blow mold cases offer a wide range of customization options to meet your requirements.
Based on specifications such as size, shape, weight and your products to be packaged, we will create the right solution for you. Your logo can be applied to the side of the case using a variety of techniques.

3 STEPS TO YOUR CUSTOMIZED BLOW MOLD CASE:

1

Your products:

You provide us with details such as size, shape, weight or a drawing of your products.
Or you can send us your products for packaging.

2

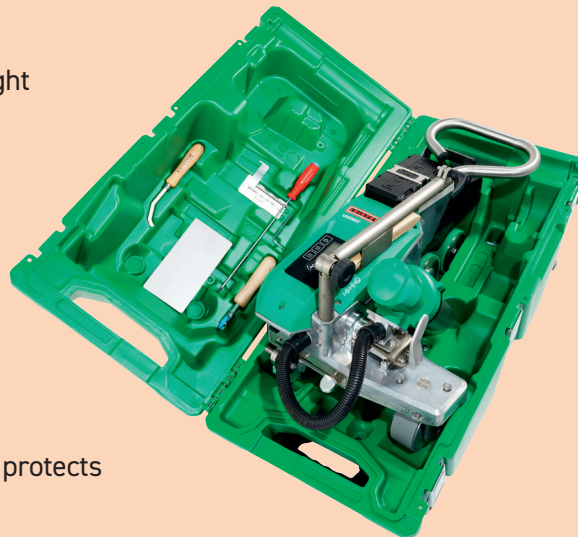

Our mission:

You get a packaging solution that suits your needs and your product.

3

Your individual solution:

You get a tailor-made packaging solution that safely protects and stores your product.
If required, in 3D visualisation for better coordination.

Advantages at a glance:

Packaging solution tailored to your needs

Protects the product with a double-walled case

Size variety from 10x10cm to 160x70cm

Many options for customization

Brand experience through logo placement and brand colour

Available from relatively small quantities
